

Welcome to the official web site of the California Community Colleges Student Financial Aid Administrators Association (CCCSFAAA). This web site has been developed as a tool in which to communicate with members as well as to provide resources for visitors. I hope that you will find it to be informative and useful in your work with students.

As the 2006 CCCSFAAA President, I encourage you to visit the site often for updates on state and federal issues. CCCSFAAA President-Elect, Beth Asmus (College of the Canyons) and CCCSFAAA Vice President, Jacque Bradley (Mendocino College) are both working diligently to stay informed on state and federal changes impacting the future of student aid. They will continue to post resources to the web site as they are developed.

John Muskavitch is the 2006 Conference Chair. He has put together a hard working committee. I have seen a preview of the sessions being planned and think you will find it to be a well-rounded program. Please reserve December 1-3 to join your colleagues at the Ontario Convention Center for the annual CCCSFAAA conference.
